PROFESSIONAL SUMMARY

Entry-level Administrative Virtual Assistant with experience supporting international customers through live chat, handling account and billing concerns, maintaining customer documentation, and following structured workflows. Proficient in Google Workspace, Microsoft 365, Salesforce, Trello, and Canva. Detail-oriented, organized, and comfortable working independently in a remote environment. Based in the Philippines and flexible to adjust working hours based on client time zones and business needs.

WORK EXPERIENCE

Customer Service Representative (Avast / AVG) — June 2026 – Present

Foundever | Puerto Princesa City, Palawan, Philippines

- Support international customers through live chat, resolving installation, setup, and software issues while managing multiple conversations at once.
- Handle account, subscription, billing, and renewal concerns accurately and in line with company procedures.
- Assist customers considering cancellation by understanding their concerns, explaining available plan options, and recommending suitable solutions.
- Educate customers on their accounts and subscriptions to help them better understand their services and resolve concerns independently.
- Document every concern and resolution clearly and completely in case records to support follow-ups and smooth handoffs.

Pharmacy Assistant — November 2024 – October 2025

CSB Pharmacy | Puerto Princesa City, Palawan, Philippines

- Maintained accurate and confidential prescription and customer records while following established procedures.
- Processed payments, receipts, insurance documentation, and prescription-related paperwork accurately.
- Prepared and labeled medications with close attention to detail and accuracy.
- Assisted customers with insurance and prescription documentation and answered questions about products and services.
